FACULTY ADMINISTRATIVE OFFICERS/SUBDEANS' GROUP MEETING
FRIDAY 6 OCTOBER 2006

ADDITIONAL AGENDA ITEM (with apologies that it wasn't included in the agenda)

ON-LINE CHANGE OF ENROLMENTS FOR 2007

Students will be changing their unit enrolment online in 2007.

At the last SIMS Stakeholders Reference Group (SSRG) meeting on Thursday 28 September reservations were voiced as to the timing for students to change their unit enrolment online. It was agreed to seek input from the FAO/Subdeans' Group.

The concern relates to when this functionality will be available to students in 2007 and the ability of Faculties / Schools to effectively and efficiently manage these changes throughout the busy periods of January and February 2007.

A paper setting out the issues is attached.

For discussion.
